### ***GROUP ELIGIBILITY REQUIREMENTS***

It is understood and agreed that in order to be eligible for coverage and maintain such eligibility, the Group must meet the following requirements:

#### **Small Employer:**

The Group must meet all the requirements for a “Small Employer” as such is defined by Title 45, §144.103, of the Code of Federal Regulations, promulgated pursuant to the Patient Protection and Affordable Care Act of 2010, as amended.

If the Group’s actual enrollment varies such that the Group is not eligible for coverage as a Small Employer, the Group will be required to apply for other coverage by completing a new application and will be charged different premium rates. A Group Sales Representative or broker can help you obtain additional detailed information about federal and state law requirements as it relates to Small Employers.

**Annual Enrollment Certification:** The Company reserves the right to inspect the records of the Group after sixty (60) days from the effective date of the Group coverage in order to verify the eligibility of employees and their dependents. In addition, the Group may be required to complete and return to the Company an eligibility audit and/or census report annually.

#### **Minimum Enrollment Requirements:**

The Group must enroll and maintain enrollment (unless otherwise approved by the Company) as stated below:

#### Medical coverage minimum enrollment requirements:

If CareFirst BlueChoice coverage is selected, CareFirst BlueChoice must be the only HMO carrier offered by the Group to its employees.

Groups must enroll and maintain enrollment of 75% of all employees eligible for medical coverage and for each ancillary product purchased, if offered (or 100% if the employer pays the entire Individual Coverage premium). If at any time there are less than 75% enrolled in any of the medical or ancillary products, the Company reserves the right to rescind the proposal (if prior to the effective date of the Group Contract), revise the rates, terminate the product that does not meet the 75% requirement, or

refuse to renew the product that does not meet the 75% requirement.

The Group cannot enroll in their HMO programs (other than an HMO product offered by CareFirst BlueChoice) more than 25% of the total number of employees enrolled in all health programs offered through the Group. If applicable, the Group cannot continue to enroll new employees in their staff model HMO.

At least one common law employee must be employed full-time and enrolled under the Group's coverage at all times. (Note: The sole proprietor or spouse of the sole proprietor and those employees with complementary to Medicare coverage do not count toward the one employee minimum enrollment requirement.) Enrolled Groups that drop to less than one full-time employee should contact their Company Sales Representative to arrange for individual direct pay coverage.

Notwithstanding the preceding paragraphs, a Group that submits this Application to select a new medical product between November 15<sup>th</sup> and December 15<sup>th</sup> of any calendar year is not required to maintain the minimum enrollment requirements for medical coverage stated above.

Otherwise, all other Groups have to enroll and maintain the minimum enrollment requirements for medical coverage.

Exclusions from minimum enrollment requirements:

The following employees should be excluded from the above counts:

1. Those employees who have coverage under their spouse's or parent's group coverage, TRICARE, Medicare as primary under TEFRA, or their prior employer's plan under COBRA.
2. Those employees enrolled in other Company coverage or covered under any Company affiliate.
3. Those employees that obtain coverage through the Individual Exchange where the employer does not offer affordable coverage and minimum essential coverage as defined under the Affordable Care Act.
4. Those employees who neither live nor work in the CareFirst BlueChoice Service Area.

If the Group offers another medical health benefits program through the Company, the total Group enrollment in all such plans will be combined to determine enrollment.

Other requirements:

If at any time the Group fails to meet any minimum enrollment requirement stated in this Application for a group medical product; the Company reserves the right to rescind the proposal (if prior to the effective date of the applicable Group Contract), terminate the applicable Group Contract(s) for the product that does not meet a minimum enrollment requirement, or refuse to renew the applicable Group Contract(s) for the product that does not meet a minimum enrollment requirement.

The Company reserves the right to increase a premium during the contract period as stated in the Group Contract. The Group will be notified of a premium increase by mail forty-five (45) days prior to the effective date of the new premium. If, however, the proposed premium rate increase exceeds thirty-five percent (35%) of the annual premium charged, the Company will give the Group prior written notice of no less than sixty (60) days.

**GROUP STATEMENTS**

The Group agrees that in the making of this Application, it is acting for and on behalf of itself and as the agent representative of its employees and COBRA participants, and their dependents; and it is agreed and understood that the Group is not the agent or representative of the Company for any purpose of this Application or any Group Contract issued pursuant to this Application.
