

VOUCHER

HEALTH SCREENING FORM & RESULTS

As part of the CareFirst BlueCross BlueShield and CareFirst BlueChoice, Inc. Blue Rewards program, you are eligible to receive a health screening.

This form can be used for an annual biometric health screening at any CVS MinuteClinic.

PRINT	NAME:-
-------	--------

DATE:

PROVIDER: See processing instructions below.

what you should know before your visit:

- This printed form along with valid photo identification and CareFirst insurance card are required at time of visit.
- Biometric health screenings are available every day. Online appointments required at select locations. To find a MinuteClinic, please visit minuteclinic.com or call 1.866.389.ASAP (2727).
- After registering at the kiosk, patients will be pre-screened and required to wait outside the store until called in for visit.
- For best results, we recommend that you fast 8 to 12 hours before your visit.
- Patients 18 years of age and older are eligible for a biometric health screening.
- This screening shouldn't replace an annual wellness physical with your provider.
- This form can only be used at MinuteClinic and not CVS Pharmacy.

MinuteClinic Provider Instructions

- Ask customer to provide photo identification
- Ask customer to print name and date on the biometric health screening voucher in the designated area
- Match customer's identification with the name written on voucher
- Collect and input customer's insurance information into the EMR
- Select biometric health screening as the chief complaint

It is mandatory to collect all of the following information and input all results into EPIC/EMR as well as documenting the results within the below fields.

After the screening results have been clearly written in the fields below, detach the screening results section and give it to the patient.

★ BMI	■ Blood Pressure	★Smoking/Tobacco Use?
Height	★ Blood Glucose Reading	Smoker
Weight in pounds	► Fasting? Yes No Total	★ Flu Vaccine Within the Last 12 Months?
