Take the Call

You know that CareFirst BlueCross BlueShield (CareFirst) provides your health benefits and processes claims, but that's not all we do. We're there for you at every step of care—and every stage, even when life throws you a curveball.

Whether you are faced with an unexpected medical emergency, managing a chronic condition like diabetes, or looking for help with a health goal such as losing weight, we offer one-on-one coaching and support programs. You may receive a letter

or postcard in the mail, or a call from a nurse, health coach or pharmacy technician explaining the programs and inviting you to participate.

These programs are confidential and part of your medical benefit. They can also play a huge role in helping you through an illness or keeping you healthy. Once you decide to participate, you can choose how involved you want to be. We encourage you to connect with the CareFirst team so you can take advantage of this personal support.

Here are a few examples of when we may contact you about these programs.
Visit carefirst.com/takethecall to learn more.

	Program name	Overview	Why it's important	Communication
	Health & Wellness	Personal coaching support to help you achieve your health goals	Health coaching can help you manage stress, eat healthier, quit smoking, lose weight and much more	Letter or phone call from a Sharecare coach
	Complex Care Coordination	Support for a variety of critical health concerns or chronic conditions	Connecting you with a nurse who works closely with your primary care provider (PCP) to help you understand your doctor's recommendations, medications and treatment plans	Introduction by your PCP or a phone call from a CareFirst care coordinator (nurse)
	Hospital Transition of Care	Supporting transition from hospital to home	Help plan for your recovery after you leave the hospital, answer your questions and, based on your needs, connect you to additional services	Onsite visit or phone call from a CareFirst nurse
	Pharmacy Advisor	Managing medications for specific conditions	Understanding your condition and staying on track with appropriate medications is crucial to successfully managing your health	Letter or a phone call from a CVS Caremark pharmacy specialist
	Comprehensive Medication Review	Managing multiple medications	Talking to a pharmacist who understands your medication history can help identify any possible side effects or harmful interactions	Phone call from a CVS Caremark pharmacist
	Specialty Pharmacy Coordination	Managing specialty medications for chronic conditions	Connecting with a nurse who specializes in your condition provides additional support so you can adhere to your treatment plan for better health	Letter or phone call from a CVS Caremark specialty nurse
	Behavioral Health and Substance Use Disorder	Support for mental health and/or addiction issues	Confidential, one-on-one support to help schedule appointments, explain treatment options, collaborate with doctors and identify additional resources	Phone call from a CareFirst behavioral health care coordinator
